

## How you can leave a gift to MfM

## Why Gifts in your will matter

The best way to make your will is through a solicitor. A qualified solicitor will ensure your wishes are legally and correctly represented. If you already have a Will, your solicitor will be able to add in a legacy to MfM simply and cheaply by way of a Codicil (an add-on to your Will).

### What essential information will I need to give my solicitor?

- The charity's full name and charity number: Money for Madagascar, number 1001420
- Registered address: MfM, Langthwaite House, Lancaster, LA2 9EB
- You should also advise your solicitor of the type of legacy that you wish to leave (see below)

The most common types of legacy are:

**Pecuniary Legacy:** a gift of a fixed sum of money;

**Specific gift:** a possession or item such as jewellery, property or shares;

**Residuary Legacy:** a gift of the remainder of your estate after all other legacies have been made and all debts and liabilities paid. You can make a gift of the whole of your residuary estate to one party or share it between several parties.

Making and changing your Will is a private matter. However, we would love to hear from you if you plan to leave a gift to MfM. It would give us a chance to say thank you.

A gift of any value in your will could have a powerful impact on the life changing work that we are doing in Madagascar - helping people to transform their lives, to live free from poverty and to preserve their unique environment for generations to come.

If you would like more information about leaving a gift in your will, or would like to speak to someone face to face, please contact Irene Rajaona-Horne or Theresa Haine.

## Your legacy to Madagascar...

...could make  
a world of  
difference

# Your legacy can help build a future of hope in Madagascar

A legacy to Money for Madagascar is a powerful expression of your commitment to building a brighter future for the people and wildlife of Madagascar.

Deciding who to remember in your Will is a very personal decision. After considering the needs of your loved ones, if you feel able to leave a gift to charity, please consider leaving a legacy to Money for Madagascar.

Your gift could help communities in Madagascar to overcome poverty and protect their unique natural heritage for decades to come.

## What your legacy could do...

### £12,000

Could transform the life prospects of generations of children in an isolated rural community by enabling their school to participate in our Education for Life programme. This integrated programme improves the life chances of impoverished children by improving their health, nutrition and quality of education.

### £5,000

Could help secure the future for endangered lemur species by planting 10,000 indigenous trees in an innovative tropical reforestation programme linking protected areas with wildlife corridors around the Andasibe National Park.

### £3,600

Could save a vulnerable or abandoned child from destitution, providing them with 6 years of safe residential care and education.

### £2,200

Could provide safe drinking water to a rural community; protecting hundreds of families from waterborne diseases, which are the biggest killer in Madagascar.

Every gift we receive from our supporters, large or small, is important to us and contributes to changing lives in Madagascar.
