### Big Give Earth Raise 2026 Appeal – Matching donations. Multiplying impact

When the public donates to a charity through a Big Give campaign, they ask funders (philanthropists, foundations or corporate donors) to match that donation.

So, £50 from a member of the public, becomes £100 for a good cause.

Please note, in order to be eligible for the for the match funding - ALL DONATIONS MUST BE MADE AT THE BIG GIVE website,

<https://donate.biggive.org/campaign/a05WS00000Aun57YAB>

**Donations sent via our website or to us directly do not count as part of our total and therefore won't be doubled.**

### Methods of payment

**Card:** To make an online payment on the Big Give website by card, you will need your card details and your email/phone/bank app ready and on hand.

Once you have those, go to the Big Give campaign page of MfM, at

<https://donate.biggive.org/campaign/a05WS00000Aun57YAB>

Big Give's payments processor is Stripe, which requires online donations to be made using a debit/credit card, Apple Pay or Google Pay.

The following card types are accepted: Mastercard / Visa / Maestro / Switch / Solo / Delta / American Express.

Please note different cards are subject to different fees. Find out more about fees [here](#).

International cards are accepted.

**!!Please note!!** Big Give sets a 15 per cent tip, listed as a 'donation'. This charge is made as the default: you do not have to pay it. If you do not want to, when you check out, you can edit this to any percentage of your donation you prefer, or you can manually type £0.

You don't need to donate to Big Give in order to send your money to us.

If you'd like to add a VOLUNTARY tip to Big Give you can – Big Give makes no charge to MfM for using its platform. But you do not have to. We understand the hardship of the times we live in and if you want to just donate to us make sure you amend this 15 per cent tip.

If you have any questions, please contact [admin@moneyformadagascar.org](mailto:admin@moneyformadagascar.org), or see the [Big Give website](#) for more information.

**BAC:** Only UK bank accounts can make a bank transfer, and it must be £500 or more.

For this you need to:

- 1) Create a donor account with The Big Give
- 2) Set the amount you wish to donate. This will be paid into your new donor account, and the **minimum** amount you can add to that account is £500. (If you leave an optional tip, these are paid directly to Big Give on balance transfer).
- 3) Make the transfer from your bank account. Stripe will generate a unique sort code and account number for your virtual Stripe bank account, where your funds will live until you choose to donate.

Using your unique Stripe bank details, make a payment from your bank account. Please keep in mind that the transfer can take 1-5 working days.

Big Give will email you once your funds have been added to your account.

So, if you transfer £1,000, your donor account will be credited with £1000 of donation funds.

- 4) Start donating your funds on Big Give!

You will need to visit the MfM Earth Raise 2026 campaign page, at <https://donate.biggive.org/campaign/a05WS00000Aun57YAB>.

Once there, click the 'donate' button on our campaign page.

To pay with your Big Give Funds, log in with your donor account email and password, then choose the amount you'd like to donate.
